Government Entity as Applicant:

- A government entity may be legally responsible to provide services and enter into a memorandum of agreement (MOU) with a PNP to provide those services (e.g., sheltering or food distribution).
- In these cases, Public Assistance funding is provided to the legally responsible government entity, which then reimburse the PNP for the cost of providing those services under the agreement.

COVID-19 Public Assistance (PA) Pre-Screening
FEMA-DR-4512-VA

VDEM has set up this tool to gain the necessary information from your organization to pre-screen eligibility for the FEMA PA Program. This tool is set up to mirror the FEMA requirements, and ultimately FEMA makes the final eligibility determination for PNP applicants. In addition to determining eligibility, the intent of this tool is to prevent un-necessary efforts from your organization if the eligibility requirements for the PA Program are not met.

Due Date for Submitting your PNP's Pre-Application Portal

- Please submit your organization's pre-application screening through the portal by COB April 30, 2020

Requests for Public Assistance

- No due date set – it will be 30 days after the National Public Health Emergency is over
